From the Pastor

August 2024

I was looking back through pictures from the past few months, thinking and pondering what is God doing in my life? Where is God in the midst of the pain and hurt in our world? What does God have in store for each of us? I came across this picture...one of wonder, one of awe, one of realizing how little we are to the Great I Am.

It was taken during the aurora borealis, when we all stopped and looked or saw pictures of this event. Some are more vibrant, some like this not so big, but God is present in the midst.

As I was thinking about this, I continue to be amazed at how and where God is present for you and me. He is present in worship, in study times, in gathering moments, in our food and in the care we share with each other. God is here and very much moving us into the community, into the world and out of ourselves.

Come and share, come and give, help where you are able and let us shine so bright that His light is shared with the world.

Have a great month, God is good.....Shalom, Pastor Cindy

Spotlight on . . . CTS library

Have you “checked out” our library lately? It has a new window and curtains, a fresh coat of paint (Thank you, Juleen!), and it’s been arranged into seating/reading areas. You’ll find books for children and adults, Christian fiction and non-fiction, Bibles and study guides, movies, music and more! Donations are always welcome. Join us in the library after worship on August 11 for lemonade and cookies, and see what our library has to offer. There’s something for everyone!
